OneSpan

OneSpan Sign for Guidewire PolicyCenter™ is an eSignature solution that equips insurance carriers to seamlessly manage policy applications and deliver a frictionless sign-up process for applicants. Leverage OneSpan Sign's intuitive and secure eSignature integration in all channels, including agent, call center, online, and mobile.

With OneSpan's Ready for Guidewire integration, insurers will be able to accelerate the document approval and completion process. A seamless workflow automatically triggers signing requests and downloading of signed documents back to PolicyCenter.

OneSpan Sign for PolicyCenter

The Insurer Challenge

It's more critical than ever to achieve end-to-end digitization and remove any remaining paper and manual steps. As insurers focus on modernizing systems and improving efficiency, a digital-first experience is key to high completion rates for policyholder transactions.

The Solution: OneSpan Sign for Guidewire PolicyCenter

OneSpan Sign for Guidewire PolicyCenter is a scalable and secure enterprise eSignature solution. With it, policyholders can easily eSign documents from any device. Insurers maintain an end-to-end digital workflow, from sending to signing to storage, with powerful pre-built automations for speed and productivity.

Benefits

- Transactions completed in 15 minutes (instead of days or weeks)
- Up to 90% reduction in NIGO rates – no more missing signatures
- Best price-per-value – customers have saved up to 75% over Docusign
- Top G2 scores for ease of use, quality of support, and customer branding

Integration Benefits

- Cloud native: Pre-built workflows get users up and running quickly with no additional training needed
- On-premises: Built-in UI for adhoc processes, with the flexibility to configure workflows
